MY HOBBY

- Watching motivate class
- Listening songs
- Listening new technology

ABOUT ME

I am a skilled web developer with experience in HTML, CSS, JavaScript, Bootstrap, and jQuery. I specialize in creating responsive and user-friendly websites and have hands-on experience in web hosting. My focus is on building efficient, visually appealing web applications that provide a seamless user experience.

WORK EXPERIENCE

INFO CAMPUS INSPIRING THE FUTURE (INTERN)

sep 2023 - feb 2024

- Web Application Development with Python
- Django,HTML,CSS,MYSQL

PROJECT

AGRISHOP

E-COMMERCIAL WEBSITE

2023 - 2024

Built a Django web application for an online marketplace where farmers and users can buy and sell agricultural products. The platform increases sales for farmers and simplifies the buying process for users. Utilized Django's secure MVT framework and its powerful admin interface for efficient content management.
